

WEDNESDAY, JUNE 8

| | |
|---------|--|
| 1:00 pm | REGISTRATION AND EXHIBITORS SETUP – Exhibition Hall in the Atrium & Foyer |
| 1:30 pm | SITE VISITS (prior RSVP required during registration - limited seating) – Port of Montreal and St. Lawrence Seaway |
| 5:00 pm | OPENING RECEPTION – Exhibition Hall in the Atrium & Foyer |

THURSDAY, JUNE 9

| | | |
|--------------------|---|--|
| 7:30 am | REGISTRATION AND BREAKFAST IN THE EXHIBITION HALL | |
| 8:45 am | OPENING SESSION (<i>Saisons A&B</i>) <ul style="list-style-type: none"> David Bolduc, Green Marine – Welcoming address & annual results Madeleine Paquin and Gerry Carter – 15 years and counting: Testimony from two of the founding CEOs of Green Marine Martin Imbleau, Montreal Port Authority KEYNOTE SPEAKER: Chris Turner, Sustainability & Global Cleantech Expert | |
| 10:00 am | COFFEE BREAK & EXHIBITION VISIT | |
| 10:30 am | SENSITIVE HABITAT & POLLUTION PREVENTION (<i>Saisons A&B</i>) <ul style="list-style-type: none"> Sam Davin, World Wildlife Fund - Quantifying ship waste production in Canada's marine protected areas Meghan Mathieson, Clear Seas Center for Responsible Marine Shipping - Managing Waste from Commercial Ships Kim Doiron, Northern Institute for Research in Environment and Occupational Health and Safety (INREST) & Manon D'Auteuil, Sept-Îles Port Authority - Preventive environmental management in port areas Pierre Cauchy, UQAR-ISMER - Where does the noise heard by marine mammals really come from? Characterization of onboard vibration sources and underwater radiated noise from ships (MARS project) | PORTS & SHIP ELECTRIFICATION (<i>Été</i>) <ul style="list-style-type: none"> Graham VanderSchelden, Northwest Seaport Alliance - Port electrification in Tacoma & Seattle: from vision to reality Hugo Daniel, University of Sherbrooke & Marie-Andrée Giguère, Fednav - Toward shore power for dry bulk cargo in the St-Lawrence and Great Lakes Bonita Craig, Colliers Project Leaders & Patrick Devlin, SNC Lavalin - Green marine rapid transit – Halifax Regional Municipality's Mill Cove Ferry Project Shawn Balding, Canal Marine & Industrial - EV Marilyn Bell: zero emission ferry |
| Noon | LUNCH – <i>Pierre-de-Coubertin & Printemps</i> | |
| 1:30 pm | DECARBONIZATION: TAKING THE LEAD (<i>Saisons A&B</i>) <ul style="list-style-type: none"> Mark Collins, British Columbia Ferry Services - Getting to YES faster for a zero carbon future: BC Ferries' proposal to electrify a substantial portion of North America's largest ferry system Lee Kindberg, Maersk - Accelerating progress toward zero carbon shipping David Cummins, Blue Sky Maritime Coalition - Maritime decarbonization: a roadmap to 2050 Heather Wood, CMA-CGM - Roadmap to Zero – Energy Transition & Innovation at CMA CGM | |
| 3:00 pm | COFFEE BREAK & EXHIBITION VISIT | |
| 3:30 pm to 5:00 pm | COMMUNITIES & SUSTAINABILITY (<i>Saisons A&B</i>) <ul style="list-style-type: none"> Guillaume Dubreuil, CSL - Title TBC Michel Pearson, Soft dB & Hugues Paris, Quebec Port Authority - Noise reduction of the main fixed equipment at the Port of Quebec using a concerted strategy with the community and all users Meaghan Atkinson & Preethi Poola, Crowley - Crowley's sustainability journey: from ambition to strategy | ALTERNATIVE FUELS & PROPULSION SYSTEMS (<i>Été</i>) <ul style="list-style-type: none"> Lindsey Kettel, Davie Shipbuilding - A Davie dialogue: the future of fuel Paul Blomerus, Clear Seas Centre for Responsible Marine Shipping - Making progress towards net-zero shipping through alternative fuels (hydrogen-based) Dan Vyselaar, Atlantic Towing - A novel application for hybrid propulsion in Newfoundland & Labrador's offshore oil and gas sector Jordan Pechie, HaiSea Marine - Building North America's cleanest and quietest tugboat fleet |
| 6:30 pm | CERTIFICATION RECEPTION – <i>at the Marché Bonsecours, in the Vieux-Port de Montréal</i> | |

FRIDAY, JUNE 10

7:30 am **BREAKFAST IN THE EXHIBITION HALL**

REPORTING AND TRANSPARENCY (Saisons A&B)

8:30 am

- Antidia Citores, **Surfrider Foundation Europe** - Green Marine Europe
- Paramita Das, **Rio Tinto** - It STARTs With Us: Radical Transparency and the Partnership Path to Net-Zero
- Anthony Teo, **RightShip** - Transparent ESG reporting

10:00 am **COFFEE BREAK & EXHIBITION VISIT**

R&D AND DIGITALIZATION

(Saisons A&B)

10:30 am

- Jordan O'Reilly, **Transport Canada** - Research on zero emission propulsion systems (ZEPS)
- Kendra MacDonald, **Canada's Ocean Supercluster** - Transformative solutions in marine transportation
- Cédric Baumelle, **Laurentian Pilotage Authority** - Optimized Pilotage Services (OPS) Project
- Simon Savard, **Montreal Port Authority** & Mathieu Charbonneau, **CargoM** - CargO2ai logistics tool

NATURAL HABITAT IMPROVEMENTS &

BIODIVERSITY IN PORTS (Été)

- Lisa McCuaig & Vanessa Koo, **Vancouver Fraser Port Authority** - Understanding & improving marine biodiversity – ecosystem monitoring & restoration
- Rebecca Kordas, **Hatfield Consultants** - Enhancing shorelines & increasing ecological connectivity at a large industrial shipyard
- Maor Bezner, **ECONcrete** & Zach Birmingham, **Port of San Diego** - Sustainable ecological enhancement of port infrastructure: Port of San Diego
- Katherine Giroux-Bougard, **Transport Canada** - In-water cleaning of vessels' biofouling in Canada

Noon **LUNCH – Pierre-de-Coubertin & Printemps**

CLIMATE CHANGE & PORT INFRASTRUCTURE

(Saisons A&B)

1:15 pm

- Karen Imas, **Waterfront Alliance** - US Northeast Offshore Wind Port Readiness
- Jason Scherr, **Prince Rupert Port Authority** & Stephen Bourne, **Atkins** - Climate change impacts on infrastructure & cargo flow
- Joël Fortin, **Norda Stelo** - Assessing the climate change vulnerability of ports' critical assets to better prioritize investments for increased resilience

WASTE MANAGEMENT & THE CIRCULAR ECONOMY

(Été)

- Neil Allen, **Envirochem** & Stacy Bell, **Neptune Terminals** - Monthly waste tracking tool
- Jane Burchill, **Port Saint John** - Diverting marine rope from entering the waterways: lessons learned & how to get started
- Gaston Déry, **BIOÉNERGIE AE Côte-Nord** - Biofuel from forest biomass: A route for the maritime industry's future

2:30 pm **COFFEE BREAK & EXHIBITION VISIT**

GREEN CORRIDORS (Saisons A&B)

2:50 pm

- Elise Georgeff, **International Council on Clean Transportation** - A zero-emission container corridor supported by liquid hydrogen
- John Schmidt, **Great Lakes St. Lawrence Governors & Premiers** - Greening the Great Lakes St. Lawrence maritime transportation system: benchmarking current performance, implementing high-impact actions, & tracking progress
- Jean Aubry-Morin, **Saint Lawrence Seaway Management Corporation** - The Net-Zero path for the Seaway

4:00 pm

CLOSING REMARKS (Saisons A&B)

- David Bolduc, **Green Marine**
- Stephanie Jones Stebbins, **Port of Seattle**
